**Re: Earlier Closing time for DNA Orders
due to the Facility Inspection**

Dear valued customers,

Thank you for your usual order of our products and services.

Please be informed that the closing time for custom DNA synthesis orders is to become earlier as below on **Wednesday, December 25th, 2013** due to the electricity failure by the facility inspection at our Haneda Oligonucleotide Manufacturing Center.

We apologize for any inconveniences so caused, and very much appreciate your understanding.

Sincerely,

Custom DNA Synthesis Service (Gel filtration / Reverse-phase Cartridge Purification)	
Date	Order Acceptance Closing Hour
Wednesday, December 25, 2013	[E-mail & WEB: 12:00] Orders for products with the length between 11 and 30 bases will be dispatched on the next day.

* This is only applied for normal oligo products. For HPLC purified and modified oligo orders, the usual closing hour will be applied.

* The actual delivery schedule is subject to change depend on the production status.

* If you have any questions for details, please inquire.
