**Re: Termination of Next Generation Sequencing Service
using Roche Genome Sequencer FLX+ System**

Dear customers,

Thank you for your usual order for our products and services.

We regret to inform you that our next generation sequencing service using Roche genome sequencer FLX+ system had been terminated as stated below and orders for this service are no more accepted.

We apologize for any inconveniences caused by this service termination. For customers who planned continuous use of this service, please inquire to us in details.

We thank you for your long-term support for this service, and will make more effort to provide better services. Your continued business with us would be very much appreciated.

Sincerely yours,

1. Terminated service:
Next Generation Sequencing Service using Roche Genome Sequencer FLX+ System
2. Termination date: March 31st, 2015
3. For details about this subject, please inquire to;

Sales staff in charge of your area
OR
Next generation sequencing team
