Order Management Office :	Mon through Fri (FAX until 15:00, E-mail until 17:00, Website until 18:00) Sat (FAX until 15:00), E-mail & Website until 16:30), Sun & Holidays (FAX , E-mail & Website until 12:00)
Shipment :	Mon through Fri (No shipment performed on Sat, Sun & Holiday)
Synthesis Scale:	☐ 0.2 μmol (Desalted : 250μg guarantee, HPLC purified : 30μg guarantee) ☐ 1 μmol (Desalted : 1mg guarantee, HPLC purified: 250μg guarantee) *Please inquire separately for long chain, modification etc.
Product State:	☐ Desalted (PAGE Data attached) ☐ TOF/MS-HPLC Purified (PAGE data & MALDI-TOF/MS data attached)
Please write any notice or comments	

Cautions) Please fill in the sequence field with attention to the bellow point.

- Synthesis will be available between 11 and 30 bases. Please inquire seperately for other cases.
- If DNA is included in the sequence, please write down "dN" for its place. The letter for "N" is case-insensitive. Please write down "dN" together in one square of bellow sequence field. (e.g. "AACCUUGGdtdt" "CGUdACUGdA" etc.)
