Re: Termination of Catalogue Primer Sales

Dear valued customers,

Thank you for your usual order for our products and services.

We regret to inform you that the sales of our catalogue primers for reverse transcription reaction from RNA, i.e. oligo dT primer and random primer, will be terminated as of October 31st, 2017. We apologize for any inconveniences so caused as well as thank you for your long-term purchase of this product.

We will make more effort to provide better products and services. Your continued business with us would be very much appreciated.

Sincerely yours,

1. Sales Termination Date: October 31st, 2017
